

Financing for Development Conference: Draft report open for public consultation

Idioma Inglés

The [Sustainable Development Solutions Network](#) [1] has launched a draft report on financing for sustainable development that will provide recommendations for the Financing for Development Conference to be held in Addis Ababa, Ethiopia from 13-16 July.

The report is currently open for public consultation until 18 January; the NCD Alliance has submitted a response stressing exclusion of NCDs from the financing for health discussions will have serious consequences for sustainable development.
