

October 2016 WHO GCM/NCD Dialogue Meeting: programme out now!

Idioma Inglés

The deadline for pre-registration to attend the ***Global Dialogue Meeting on the role of non-State actors in supporting Member States in their national efforts to tackle NCDs as part of the 2030 Agenda for Sustainable Development*** has been extended to 12 September 2016. The programme is now available via the link below.

A pre-Dialogue caucus will be held at the European Health Forum in Gastein. The workshop, organized by WHO and the European Health Council, will be held on 28 September 2016 and will focus on 'Urban environments and NCDs'.
