Extended Description:

This publication under the ambit of the [Our Views, Our Voices initiative](#) [2] dedicated to promoting meaningful involvement of people living with NCDs in the NCD response, seeks to illustrate the lived experiences and realities of people living with a wide range of NCD conditions – within the four major NCDs (cardiovascular diseases, cancer, diabetes, and chronic respiratory diseases) and beyond, to include rarer conditions – and living with multiple NCDs. It seeks to understand the commonalities in needs and challenges across different conditions and contribute to the NCD community's efforts to frame an inclusive NCD agenda.
