Annual Report 2014-2015

We are pleased to announce the launch of our [Annual Report 2014-2015](#) [1]. It offers a snapshot of the activities and achievements of the NCD Alliance and our extensive constituency over the last year. It also includes a summary of financial statements. This report reveals that together, across our network of Federations, global and local organisations, supporters, and individuals, we are making a difference for people at risk or living with NCDs.

We wish to thank everyone who helped make the past year so successful, and look forward to continuing to advance the NCD agenda together.
