

UNGA72 Side Event - Breaking Down Silos, Building Synergies: Implementing NCDs in the SDG Era

Langue Anglais

Monday 18 September, 18:00 - 19:30 | preceded by a reception from 17:00 - 18:00

Madison Ballroom, The Westin Grand Central, 212 East 42nd Street, New York

This side event, held on the margins of the 72nd UN General Assembly, will explore the opportunities available for implementing actions that will support the achievement of the NCD target in the SDGs, the overarching health goal, and other relevant health-related targets.

Panelists will specifically focus on the interlinkages between health and NCDs with other sustainable development priorities (e.g. poverty, nutrition, environment, gender, and trade and economic growth), the necessary approaches and responses to ensure “win-win” solutions for health and other sectors, and the investment needed to drive these actions forward.
