
NCDA event at WHA 2017: Success Factors for NCDs - Pathways to Accelerate Progress

Langue Undefined

On Monday 22 May, the NCD Alliance hosted an event in the margins of the 70th World Health Assembly focused on *Success Factors for NCDs: Pathways to Accelerate Progress*.

Moderated by Richard Horton, Editor-in-chief of The Lancet, the panel explored good practice and effective solutions to stimulate progress on NCDs at national and regional level; catalytic strategies in NCD prevention policies and sustainable health systems for NCDs; and highlighted the upcoming 2018 UN High-level Meeting on NCDs as the next global milestone and opportunity to review and accelerate progress.

Speakers:

- Dr Aurelijus Veryga, Minister of Health, Republic of Lithuania
- Dr. Theresa Tam Bi, Interim Chief Public Health Officer (CPHO) of the Public Health Agency of Canada (PHAC)
- Dr Champika Wickremasinghe, Director (Health Information), Acting Deputy Director General (NCD)
- Dr James Hospedales, Executive Director, Caribbean Public Health Agency
- Ms Paula Johns, Executive Director, ACT Health Promotion (Brazil NCD Alliance)
- Dr Evan Lee, Vice President Lilly Global Health
