Language English

The NCD Alliance's new "*Advocacy Toolkit on NCDs in Post-2015 Development Agenda*" is available for <u>download</u> [1] as a navigable PDF.

The toolkit aims to equip advocates with the information and resources necessary to secure the inclusion of NCDs and health in the post-2015 development agenda.

In addition, the two pager "*NCDs: A Priority for Sustainable Human Development*" can be downloaded <u>here</u> [2]. It includes new infographics to reinforce the case for NCDs as priority development issue, and outlines our asks for NCD-related targets/indicators in post-2015.
