
Looking for cutting edge NCD analysis? Our March 2016 webinar is online now

Language English

Did you miss our March 2016 webinar? Video & pdf of slides are available here.

The webinar featured Maisha Hutton from Healthy Caribbean Coalition (HCC) discussing a report the HCC commissioned on national NCD commissions (NNCDCs) in the Caribbean and Shoba John of HealthBridge presented on a World Health Organization South-East Asia Region - WHO SEARO report on multi-sectoral coordination mechanisms.

Presentations also included an update on World Health Organization (WHO) activities such as the recent Executive Board and NCD Directors' Meeting, upcoming World Health Assembly preparations, and UN related updates such as on the SDG Indicator Framework.
