

## NCD Alliance launches the Map of Involvement to transform NCD Advocacy

Language English

Gilberto Lontro

The Our Views, Our Voices initiative of the NCD Alliance has launched the *Map of Involvement*, a dynamic platform showcasing the diverse ways people living with noncommunicable diseases (NCDs) are meaningfully involved in advancing the NCD response

Through the interactive map, you can explore a growing collection of Involvement Reports that highlight impactful:

- Community engagement: Gatherings, conferences, and initiatives that drive meaningful involvement related advocacy.
- Trainings: Capacity-building opportunities for meaningful involvement.
- Resources: Tools and materials designed to support NCD advocacy and meaningful involvement.
- Decision-making: Processes that include people with lived experiences of NCDs in shaping policies or strategies.

## Are you an NCD Alliance member or Supporter? Share Your Story – Submit an Involvement Report

We need your voice! If you've been part of an initiative or know of an effort that exemplifies meaningful involvement of people living with NCDs, submit an Involvement Report and add it to the map. Together, we can inspire others and help make meaningful involvement a reality.

### HOW IT WORKS

## NCD Alliance launches the Map of Involvement to transform NCD Advocacy

Published on NCD Alliance (<https://old.ncdalliance.org>)

---

1. Submit Your Report: Complete the submission form on our website.
2. Moderation Process: To ensure quality and relevance, all submissions are reviewed by our team before being published on the map.
3. Get Featured: Once approved, your report will be showcased on the map, reaching a global audience.

Join us in building a comprehensive resource that highlights the transformative power of meaningful involvement.
