Ahead of the World Health Organization's 72nd World Health Assembly (WHA72), the NCD Alliance is pleased to release its Advocacy Briefing Paper outlining noncommunicable disease (NCD) prevention and control priorities throughout the agenda of WHA72.

The Advocacy Briefing for WHA72 includes consideration of NCDs as a priority in their own right, as well as NCDs in the context of Universal Health Coverage, WHO budget and involvement of non-state actors.
