

Women for a Healthy Future - Sign the petition today

Language English

The NCD Alliance has joined [Arogya World](#) [1] and other organizations on a new initiative, *Women for a Healthy Future*, to mobilize women from around the world to ignite action against NCDs.

The goal is to collect 10,000 signatures from women around the world urging world leaders at the UN High Level Meeting on NCDs to take action to reduce the vulnerability of women and children to NCDs.
