
74th World Health Assembly Joint Statement on Agenda Item 17.1 COVID-19 Response

74th World Health Assembly Joint Statement on Agenda Item 17.1 COVID-19 Response

Language English

UICC and WCRF International, supported by NCDA, welcome the opportunity to contribute to this discussion given the catastrophic impact of COVID-19 on people living with NCDs. We strongly urge Member States to take up proposals made by the IPPR and a pandemic treaty, recognising its potential to protect future populations.
