

NCD Alliance Webinar, 31 October 2019

NCD Alliance Webinar, 31 October 2019

Language English

The objective of this webinar was to present the recently launched report “Protecting Populations, Preserving Futures: Optimising the health workforce to combat NCDs and achieve UHC”. This webinar featured examples of strategies that have proven effective for developing an optimum health workforce in some countries.

Extended Description:

NCD Alliance's webinar on healthcare professionals focused on the report “Protecting Populations, Preserving Futures: Optimising the health workforce to combat NCDs and achieve UHC”. It featured three evidence-based approaches with presentations by the American College of Cardiology, The George Institute for Global Health and FDI World Dental Federation.

Slides and recording are available at '[My NCDA Hub](#) [1]'

Recording:

Please note that recordings and slides of this webinar are an exclusive benefit to NCDA members (full and associate) and partners. If you are not already a member or partner of the NCD Alliance, and would like to learn more about the benefits of being one, you can [learn more here](#) [2] or directly [apply here](#) [3].

We also offer a free engagement tier through network membership. Network members have free access to webinar recordings after 30 days. If interested in this option, you can apply directly [here](#) [4].
