**Extended Description:**

On March 5, NCD Alliance hosted its first Advocacy Webinar for its network in 2025.

During the webinar, we

- reflected on the outcomes of the 156th session of the WHO Executive Board (EB156);
- looked back at the Global NCD Alliance Forum;
- provided updates ahead of the 78th session of the World Health Assembly (WHA78) and the UN High-Level Meeting on NCDs taking place this September;
- discussed the WHO Conference on Air Pollution and Health Nutrition for Growth Summit.

Thank you for joining us.
