Extended Description:

The session is the third out of four sessions which form part of NCD Alliance Advocacy Institute's Seed virtual training programme in 2020. This session specifically explored what meaningful involvement of people living with NCDs looks like at the global, regional and national levels, providing NCD alliances with definition and framework and identifying mechanisms/good practice. The session aimed at supporting alliances' in advocating for and operationalising meaningful involvement of people living with NCDs within their local context.

The slides of this webinar are also available at '[My NCD Hub](#)' [1]

Recording:

The NCD Advocacy Institute's Seed virtual trainings in 2020 are a benefit of our member alliances to help them strengthen their activities in the NCD space and their coalition building efforts. The slides and recordings are also open to all NCD members and NGO supporters as it may help inform their own advocacy and capacity development work. If you are not already a member or NGO supporter of NCD, and would like to learn more about the benefits of being one, you can [learn more here](#) [2] or directly [apply here](#) [3].
