Extended Description:

This sectoral brief is tailored specifically to trade and industry authorities. It expands upon the following key points regarding what they need to know about NCDs:

- Noncommunicable diseases (NCDs) are preventing trade and industry from realizing their full potential.
- Investing in NCDs makes economic sense.
- Trade and industry authorities must recognize that the right to health is a fundamental responsibility of government and take action accordingly.
- Coherence between trade and health policies is essential.
- Workplace wellness improves health and promotes economic growth.
