
Walk the Talk webinar #1: Setting the scene by putting people living with noncommunicable diseases at the centre

Walk the Talk webinar #1: Setting the scene by putting people living with noncommunicable diseases at the centre

Language English

This NCD Alliance webinar familiarized the NCD community and Global Charter endorsers with the WHO Framework for Meaningful Engagement of People Living with NCDs and Mental Health and Neurological Conditions; demonstrated how the Global Charter and WHO Framework align with national, regional and global advocacy priorities for NCD Prevention and Control; and demonstrated the importance of a multisectoral approach to the meaningful involvement of people living with NCDs.
