

Participating Seed NCD alliances

Language English

The NCDA's Advocacy Institute Seed Programme promotes and supports coalition building at national and regional levels, and establishes the foundations for effective NCD advocacy.

We have partnered with NCD alliances and civil society organisations in selected geographies on the basis of their convening power, advocacy experience, project management skills, and potential for impact.

Second phase of Seed Programme (2020-2022)

Includes five emerging alliances supported to strengthen their coalitions (Côte d'Ivoire, Bangladesh, Malawi, Nepal and the Africa NCDs Network – regional alliance); with one country being supported in the formation of a new alliance (Senegal).

- **Bangladesh** – Bangladesh NCD Forum
- **Côte d'Ivoire** – Alliance des Organisations de lutte contre les MNT - Côte d'Ivoire (AOMNT-CI) (*a one-year support only*)
- **Malawi** – Malawi NCD Alliance
- **Malaysia** – NCD Malaysia
- **Nepal** – Nepal NCD Alliance
- **Africa NCDs Network** – regional pan-African alliances
- **Senegal** – NCD Alliance Senegal

First phase of Seed Programme (2017-2019)

Includes nine emerging national NCD alliances selected to strengthen their coalition building and advocacy, and national organisations in the case of countries without existing alliances. Read more about each of our country partners below:
