### NCD Alliance Annual Report 2020

Our Annual Reports provide an overview of the activities and achievements of NCD Alliance and our extensive constituency – our network, partners, volunteers and staff.

Now at the mid-point of our long-term strategy 2021-2026, we are seeing results from our work across our four thematic impact goals – prevention, care, financing and community engagement – as NCDs climb higher on the global agenda and people living with NCDs are taking on a growing role in the policy decisions that affect their health.
